Piano Ensemble Concert (PreK-8th Grade Concert)

February 28, 2027 at 2:00pm

This year's Annual Concert will feature piano ensemble performances with five pianos (electric pianos) on stage. The program will primarily feature Suzuki repertoire, with more advanced students playing harmony parts alongside less advanced students. Book 2 and above students will also perform a selection of repertoire outside the Suzuki books.

Your private teacher will provide a repertoire list for students to practice throughout the year. Final ensemble assignments and repertoire selections will be announced in January. Each student will perform at least two pieces during the concert.

Participation Requirements:

- Students must attend at least 70% of classes (4 of 7) to be eligible to participate in the Annual Concert.
- Students must attend at least one of the last two group classes before the concert on Feb 7 and Feb 21.
