

ICO Parks Concerts - Side by Side Performance September 23 and 24

ISA Violin students are invited to join the Indianapolis Chamber Orchestra for their parks concerts this September 23 and 24 to perform and Book 1 Medley and the Beethoven Minuet as part of the program.

Students will rehearse during regular group classes, no additional rehearsals. Students are encouraged to participate in both concerts but are still welcome to participate even if they can only make it to one. This is a great opportunity to represent ISA in the broader community.

Sign up by September 4 to participate by completing this form.
