

New Suzuki Parent Education - Fall 2024

We are offering a series of three sessions for new Suzuki parents to equip you as practice partners. Any ISA family is welcome to attend, whether you are new this year or not. This also provides you an opportunity to connect with other parents at ISA.

Each session is offered online and during the lower-level group classes. The schedule is designed so that you can attend a session during your child's group class. If you would prefer, you can sign up for an alternative time or for the online session.
