

Returning Suzuki Parent Education - Fall 2024

Building upon the parent discussions last fall, we are offering a parent education session to returning Suzuki parents to give you more tools to be effective practice partners and support your child's growth. This also provides you an opportunity to connect with other parents at ISA.

Each session is offered online and during the upper level group classes. The schedule is designed so that you can attend a session during your child's group class. If you would prefer, you can sign up for an alternative time or for the online session.

Sign up to attend a session by scanning the QR Code or following [this link](#).

The main topic for our fall session is Listening and Review:

- Why is it important?
- How do we do it?
- Practical resources

Date	Group Class	Day/Time
