

ISA Share-A-Thon 2021

Please join us in sharing about the wonderful work happening at ISA and share about your child's musical growth! This is our 7th annual community fundraiser. Our goal is to raise \$10,000 towards the Annual Fund, supporting ongoing programming of the Academy. Tuition alone does not cover expenses.

When: Oct 24 through Nov 7 (leading up to fall solo recital)

How:

- Record a video of your child performing their recital piece.
- Share the video with friends and family via social media, text, or email. Tag @IndySuzukiAcademy and use hashtag #indysuzukishareathon.
- Include sample text below to solicit donations and invite to the Fall Solo Recital.
- In group class following the recital, students will write thank you notes.

Goals:

- Raise \$10,000 for the ISA Annual Fund (\$75 per student)
- Encourage students to share their music with others, practice performing their recital piece, and cultivate gratitude.
- Invite friends and family to the Solo Recital on November 7
